

Wexford Conservancy Vehicle Registration Form

www.wexfordpwc.org

All homeowners, residents and tenants must register all vehicles that they intend to park on Wexford property using this Vehicle Registration Form. If a vehicle is sold and a new vehicle is purchased this form must be completed to reflect what vehicle the sticker has been transferred to or to request a new one. Vehicle owners may be asked to fill out another form from time to time in order for the Association to keep accurate records.

New homeowner's, residents and tenants must register their vehicles within thirty (30) days of moving into any Wexford property. The Conservancy recognizes that there may be more than two vehicles at any household however only two of the vehicles may be parked on Wexford property at any time with the exception of those registered vehicles parked in available Wexford Overflow Parking. Any others found parked on Wexford property are subject to towing without notice.

Each vehicle will be assigned a Wexford Parking Permit (sticker) that must be affixed to either the back side of the rearview mirror or somewhere along the bottom six inches of the front or rear window. Any vehicle found in assigned parking or overflow parking without a valid parking sticker will be regarded as being parked illegally and will be subject to towing without notice.

Any homeowner, resident or tenant failing to register their vehicle with the Conservancy within the prescribed thirty (30) day period will be towed without notice.

Prompt completion and submission of this form is mandatory.

Name(s): _____

Property Address: _____

Email(s): _____

Phone Number(s): _____

If you are a Tenant please list name and current address of property owner or Management company:

IF YOU ALREADY HAVE A WEXFORD PARKING STICKER PLEASE COMPLETE THE FORM AND INCLUDE YOUR STICKER NUMBER
